

Some say love is just a word  
Some say love doesn't hurt  
Some say love will last forever  
Some say love will tear you apart  
Some say love is all you got in your heart.  
But I don't care about what they say  
I just know that I love you and nobody can stand in my way  
You will always be mine, and I will never let you die  
Because you're the one for me, so I will never leave  
You mean so much to me, I can't tell you in words  
But every night when you go to sleep  
I will send you a kiss in your dreams
